CAREER OBJECTIVE

Enthusiastic **Full Stack Developer** with hands-on experience in building scalable and high-performance web applications using **Java, Spring Boot, SQL, React, HTML, CSS, and JavaScript**. Proficient in designing optimized database schemas, developing secure **RESTful APIs**, and creating responsive, user-friendly front-end interfaces. Experienced in integrating backend services with modern frontend frameworks to deliver seamless user experiences. Committed to writing clean, maintainable code and contributing to innovative, impact-driven projects in a growth-oriented environment.

EDUCATION

Pace Institute of Technology & Sciences, Ongole
B.Tech in Computer Science and Engineering

2021 - 2025
CGPA – 8.95/10

PROJECTS

Vestra E-Commerce (Full-Stack Java Web Application)

Tech Stack: Spring Boot, Spring Security, React.js, MySQL

- Developed a **full-stack e-commerce application** using **Spring Boot (REST APIs)** and **React.js** following a modular, layered architecture.
- Implemented **secure user authentication and authorization** using **JWT** and **Spring Security**.
- Integrated **Razorpay** for online payment processing.
- Built reusable React components and managed state using **Context API**
- Used **Spring Data JPA + MySQL** for product, cart, and order management.

TECHNICAL SKILLS

- Programming Languages:** Java
- Frontend Technologies:** HTML, CSS, JavaScript, React JS.
- Developer Tools:** Git, GitHub, VS Code, Eclipse IDE
- Other skills:** Word, Excel, Windows OS
- Backend Technologies:** Spring Boot

INTERSHIPS

Cybersecurity Virtual Internship supported by AICTE Eduskills

Dec 2022-Feb 2023

- Completed an internship related to cybersecurity, such as threat analysis, vulnerability assessment, or security policy development.

Full Stack Development Internship supported by ExcelR

June 2025-Nov 2025

- The full-stack development internship offers hands-on experience in building both the frontend and backend of web applications, making it ideal for aspiring developers who want to master end-to-end software development.

SOFT SKILLS

- Communication
- Problem-solving
- Time management
- Interpersonal communication
- Adaptability

CERTIFICATIONS

- Successfully completed the AICTE EduSkills Cyber Security Virtual Internship, gaining hands-on experience in cloud-based security practices and foundational cybersecurity skills through industry-aligned training.
- Completed a certification program in Full Stack Development Internship from ExcelR.
